This is a FREE pdf to read, but only available for a limited time) From the Introduction: "There are many styles and traditions of Chinese culture, and though some of these were imported from the west, they developed their own traditions and arts that are still maintained today. One of the most important components of Chinese martial arts is the various styles of dancing. The Chinese are skilled in making an effortless, smooth and graceful movement that has an elegance to it that is difficult to achieve in the west. Chinese dance training is a powerful exercise that can improve your agility, stamina, grace and balance. It also improves your sense of rhythm and hearing." Blue Crane Martial Arts is located in New Jersey and offers instruction in Ipvideotranscodinglivev532 The 3 Forms of a Chinese Dance; Shuffle Stance, Tai Chi Style - 7 postures and the Hip Hop Form. It is designed to be a complete workout. It contains a 7 page instruction manual with complete details on the 7 postures of the Tai Chi style dance form and 7 pages of photos and illustrations of the Hip Hop Form. It has also been translated into several languages. We hope you enjoy it and are of help to you.
